SOIL GUARD® WARRANTY

Mat, Inc. warrants that Soil Guard® is free from defects in material and workmanship, and if properly applied by a Mat, Inc. Certified Applicator in good standing, will perform satisfactorily as an erosion control product, provided, however, Soil Guard® is not warranted for and is not designed nor intended for the following:

- The prevention of landslides on soils that display deep seated instabilities or that are subject to surface peeling or frost heave.
- Extended or permanent erosion control in non-vegetative applications.
- As a channel liner or in areas where poor site design concentrates overland water flow.

Furthermore, the obligations of either party hereunder shall be excused to the extent and for the period of time necessitated by fire, flood, earthquake, other natural disasters, labor dispute, war, or other event or force of nature beyond the control of the party. The party claiming excuse shall give the other party prompt written notice of the problem.

Should any Soil Guard® sold hereunder be found not to meet the foregoing warranty, Mat, Inc. will, at Mat, Inc.'s option, either furnish replacement product or refund the purchase price paid by Distributor. However, written notice of any claim under this warranty must be given to Mat, Inc. within 90 days after delivery by Mat, Inc./Distributor. Mat, Inc./Distributor must be afforded the opportunity to inspect the claim site. There are no warranties, expressed or implied, which extend beyond the foregoing, and Mat, Inc.'s sole responsibility is as hereunder stated. Under the foregoing warranty or any other part of this agreement, including warranties hereunder, Mat, Inc. shall not be liable for consequential, indirect or incidental damages, or for any amount in excess of the price of the shipment involved. Claim must be resolved within one year after written notice.

Joseph T. Karpik, President
