To Whom It May Concern:

Mat, Inc. certifies that Flex Guard[®], Soil Guard[®], Spray Guard[®], Mat-Fiber Plus[®], Mat-Fiber[®], Mat-Blend Plus[®], Mat-Blend[®], Mat-RCP Plus[®] and Mat-RCP[®] are manufactured in two locations: 12402 Highway 2, Floodwood, Minnesota and 811 Price Place, Lenoir, North Carolina. All of the listed products are manufactured in the United States of America using 100% domestic wood chips for our Fiber and Guard products. Our Blend products consist of the same domestic wood chips as well as recycled clean paper either collected or purchased from domestic suppliers. Any other components used in the manufacturing of our products are manufactured in the United States of America.

We are proud to supply 100% American products. Please feel free to contact me directly at 888-477-3028 ext. 6 with any questions.

Sincerely,

A handwritten signature in black ink that reads "Patti J. Karpik". The signature is written in a cursive, flowing style.

Patti J. Karpik
